PERSONALIZED CARE NATIONWIDE REACH

The Romeyn Collective, founded in Los Angeles, California, serves clients and families nationwide. Our founder and clinical director, Jessica and her team travel extensively throughout the country visiting and vetting programs to make sure all placement recommendations are based on the most current program evaluations.

Our recommendations are 100% unbiased, and we do not accept payment for placement from any institution.

OUR PHILOSOPHY

Professional help built on a foundation of support and understanding.

At The Romeyn Collective we believe that in order to make effective choices for your family, you need some measure of hope. And, in order to feel hopeful, you need to know that you are supported and understood.

We strive to provide that hope and support with services delivered by a compassionate, qualified team. Our aim is to match client families with the professional within our Collective that is best suited to deliver the relevant education, information and opportunity for moving forward into effective, sustainable, solutions.
